June 7th, 2020 - Uluru, a massive sandstone monolith in central Australia sacred to the local Aboriginal peoples, will soon be closed to climbers after years of debate.

'Uluru Australia'

June 1st, 2020 - Uluru is a massive sandstone rock in central Australia that is sacred to the Aborigines of the area who are known as the Anangu in recent years. Uluru has also been important for new age practitioners believed to have been formed by the activities of ancestral beings in creation time or Dreamtime. The beautiful site includes many caves, waterholes, and ancient rock paintings.
